Hospice By The Bay Honors Outstanding Hospice Team Members

LARKSPUR, CA – Hospice By The Bay honored three of its outstanding Certified Home Health Aides — **Odilia Akwo** from the San Francisco office, **Meg Dufficy-Kang** from the Marin office, and **Cherie Seymour** from the Sonoma office — at the 18th Annual San Francisco Bay Area Regional Council Home Care and Hospice Luncheon in November. This celebration during National Hospice and Palliative Care Month and California Home Care Month “pays tribute to the many quiet heroes that provide high-quality home care, home health, and hospice services.” The honorees were nominated by representatives from each Hospice By The Bay office. They were recognized for their excellence and years of caring service to Hospice patients and families.
